

PROCOVER

UNDERWRITING AGENCY

Professional Indemnity Facility

Our facilities are designed to give us and you a competitive edge in the underwriting of professional occupations.

With a full civil liability policy wording including covers for bodily injury, property damage, pollution, fines & penalties, joint ventures, vicarious liabilities and more, we believe we can help you and your clients obtain the right cover for the risk.

Some examples of occupations we either look for or are competitive on are:

- Acoustical Engineers
- Environmental Engineers & Consultants
- Hydraulic / Fire Engineers
- Fire Protection Consultants
- Mechanical Engineers
- Electrical Engineers
- Heating / Ventilation / Air-Con Engineer (HVAC)
- Civil Engineers
